RE: Swift Charities Community Grant Request

Dear Sharon,

We received your grant request and after careful review; the Swift Charities Community Grants Committee is pleased to announce that we are able to offer your organization a \$1,000 grant to assist with the construction of a monument to commemorate American Indian and Alaskan Native Veterans who served in our nation's wars.

The Swift Transportation family values the opportunity to contribute to your organization through the Swift Charities Community Grants Program. These grants are made possible by voluntary payroll donations, terminal fundraisers and corporate matching.

We are grateful for your many efforts to serve those in need and wish you and your organization every success with your programs and their outcomes.

If you would like more information, please feel free to contact me.

Sincerely,
